

Ana Belén Bernárdez Martínez

<JUNIOR FULL STACK DEVELOPER>

I am a **proactive** worker and **committed** to the objectives I set for myself. I love **working as a team** and **communicating** effectively with both my colleagues and clients. I am a full stack developer and I am focusing on **front-end** web development, my goal is to create exciting and engaging web experiences. I am **passionate**, with a focus on creativity and user experience and a **commitment** to constant improvement.
